Dear Ms. White:

In recognition of April as National Child Abuse Prevention Month, the New York City Administration for Children's Services is pleased to take this opportunity to honor you and your organization with the Commissioner's Child Advocacy Award for your outstanding contribution to keeping children safe and strengthening families.

Every year ACS investigates approximately 60,000 reports of child abuse and neglect involving over 80,000 NYC children. We rely on skilled, caring professionals like you to ensure that children and their families get the help they need to keep them safe. Your skills, perseverance and compassion have made a difference in the lives of countless children and young people not only this month but on every single day of the year. We thank you for being our partner in this critical work.

We are inviting you, along with up to five colleagues, family members or other supporters, to attend a brief presentation ceremony on April 21st, 2010 from 9:00 am to 10:30 am at ACS, 150 William Street, 18th Floor Conference Room. Please RSVP to Nora Rodriguez-Vanderpool at 212-341-0911 or e-mail nora.rodriquez@dfa.state.ny.us with the names of your guests.

Thanks again for accepting this award and we look forward to seeing you.

Sincerely,

John B. Mattingly
Commissioner
